Hi David... just checking back to see if you have had a chance to think about this request yet.

Thanks
Chet

Subject: International Emissions Conference and possible request for the RA to speak

Hi David,

Hope you're doing well. We're holding our bi-annual International Emissions Inventory Conference in Dallas the last week of July and I am hoping we might be able to get Anne to speak at the opening. My folks drafted the attached "invitation" but before we send it formally, I wanted to see what you thought? I would appreciate any ideas you might have to perhaps make this as appealing to Anne as possible.

Thanks
Chet
